McDonald's — The Place To Be! Before closed campus McDonald's was our student body's favorite place to eat lunch. Even though we now have closed campus, McDonald's still plays an important role as one of school's "hang-outs."

FOLLOW YOUR DREAM

Follow your dream . . .
take one step at a time and don't
settle for less, just continue to climb.

Follow your dream . . .
if you stumble, don't stop and lose sight
of your goal, press on to the top . . .

For only on top can we see the whole view,
can we see what we've done and what we can
do, can we then have the vision to
seek something new . . .

Press on, and follow your dream.
